**43 Convertible**

# FROM OUR FISHING FAMILY TO YOURS.

When you've earned the right to enjoy the pleasures of a Hatteras 43 Convertible, there's something important you should know about her.

She's done some earning as well.

The right to be called a Hatteras. Because the 43 Convertible carries the refinements of our latest generation of fishing boats.

Her fiberglass hull is double chined along the entire length. So she delivers excellent performance.

She gets up on plane quickly. Cuts head seas cleanly. Tracks steadily.

She is, in short, a great sea boat. What's more, the hull is also generously beamed.

Which means that you, your family and guests can be with each other without living on top of each other.

Her cockpit is large, easily accommodating fighting chairs or deck chairs. The flybridge seats six. Comfortably. And her walk-arounds are so wide and securely hand-railed that there's no need to inch around them.

So you see, even though the 43 is a fishing machine, she's very considerate of humans, large and small.

For all her strength and performance, she is as she is pictured here... well qualified to be a "mother ship" to any family.

Large galley with full complement of appliances and excellent counter space and storage. Includes side-by-side refrigerator/freezer, range, oven with rotisseries, exhaust fan and hood, glass rack, dish locker and storage lockers (even one with a damp chaser).

## YOU'LL FEEL COMFORTABLE WITH HATTERAS. NOT SOME DAY. IMMEDIATELY.

Look at the classic lines of a Hatteras 43 Convertible. Live on a Hatteras 43. Use her for fishing, cruising, or entertaining. Make her your sun deck or swimming platform.

If you do, you can easily forget the fact that many Hatteras convertibles work for a living... as charter fishing boats.

That's why the hands at Hatteras design, engineer and build them to be dependable (as well as exciting). Reliable (as well as beautiful). Functional (and just plain fun).

The Hatteras Master Electrical panel is an excellent example of the thought and craftsmanship that make a Hatteras just that.

It contains all the sophistication necessary to manage the complex electrical system of this modern boat. But you can master it easily.

Another example: the rich wood paneling that is a Hatteras hallmark. It is rare, imported wood. Painstakingly constructed by the boatwright's art. Hand-fitted and hand-finished. But it's also easy to keep looking good.

So, yes the 43 has a handsome comfortable salon. And an attractive, complete galley.

But the real appeal of the 43 Convertible—or any Hatteras yacht—is that it all works.

Effortlessly.  
Beautifully.

### Opposite page:

Hatteras luxury in a comfortable, airy salon. Spacious dimensions allow a variety of furnishing options to suit your life style. Select fine carpeting and draperies from our extensive collection. An optional wet bar with ice maker is available, as shown.

# YOUR FAMILY IS LIKE NO OTHER. THE SAME IS TRUE OF OURS.

Perhaps the reason so many experienced yachtsmen the world over are content only with a Hatteras is because Hatteras never is.

We continually hone our commitment to do what many might consider next to impossible... to make this generation of Hatteras yachts better than the last.

More dependable.

More versatile.

More able to handle life as it is today in boating.

That's why the 43's Master Stateroom has twin berths rather than the cross-over bunks. And has a double bed option.

And why its machinery, standard diesel engines, electrical components and all that goes into the making of Hatteras reflects state-of-the-art thinking in contemporary boating.

And why the 43, like every Hatteras will retain a high value.

That Hatteras should continue to improve each generation of its yachts is a natural instinct. We want the best for our family.

Just as you do for yours.

Your Hatteras dealer will be pleased to have you inspect the 43 Convertible. As a family cruiser or fisherman's convertible. From overview to minute detail.

When you do, we believe your family and our Hatteras 43 Convertible will become inseparable.

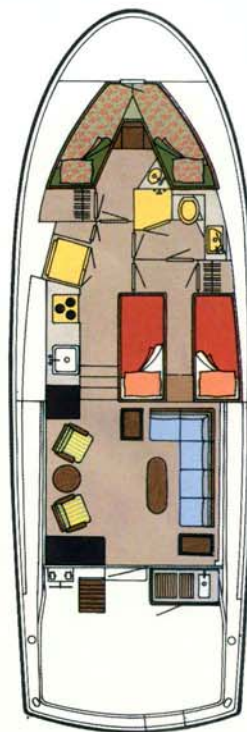

Master Stateroom with double bed option. Includes storage below bed, 4-drawer nightstand/dresser, hanging locker.

## Opposite page:

*Top.* Master Stateroom with standard twin berths. Includes nightstand, berth lights and lots of drawer and hanging locker storage.

*Left.* Head for Master Stateroom has a roomy stall shower. For greater privacy, head can be entered from Master Stateroom only (See floorplan).

*Right.* Bow Stateroom includes extra-spacious Vee berths. Other features: stainless steel lavatory, lavatory cabinet, toilet, hanging locker, storage under berths.
