## MORE STYLE, MORE SPACE, MORE PERFORMANCE.

### More of everything you want in a great sea boat.

For the yachtsman who is looking for something more—something out of the ordinary in an aft cockpit cruiser. . .

Hatteras introduces this 43 Convertible—an exciting new version inspired by the great custom-built yachts of the Continent.

We call this special design the European Arrangement. It's everything you'd expect from a Hatteras—with a distinctly European flair.

For example, the galley forward of the salon reflects our philosophy that your surroundings can be beautiful as well as uniquely styled.

The spacious master stateroom holds a queen-sized berth. And, with the privacy of the second stateroom, your guests sleep in comfort, too.

There's even an optional sailor's cabin forward, accessible only by a foredeck hatch, to maintain the owner's privacy.

More solitude, more contemporary styling, more usable living and sleeping space.

Plus the performance of twin GM 6V-92TA diesel engines.

That is the essence of the Hatteras 43 Convertible European Arrangement. A great European-styled sea boat, from America.

Master Stateroom also has mirrored vanity, drawer storage, hanging locker.

Master Head with china lavatory, mirrored medicine chest, adjacent stall shower. Bidet optional.
