50 SPORT DECK

The true standard of beauty in yacht design today is how well an individual layout enhances your enjoyment of the water. Not just being on top of the water, but being in and around it as well. Whether you want to cruise the coastline or go snorkeling in some hidden cove. Whether you choose windsurfing with friends or simply sharing the pleasures of marina life. No matter what water-bound pastimes you pursue, the fact is, the closer a layout brings you to the water, the better its design.

And, in this way, the design of the Hatteras 50 Sport Deck Motor Yacht with its unique aft activity platform, is exceptionally attractive.

Its stylish reverse transom with curved stairway, until recently available only aboard the largest motor yachts, provides easy access to the water without taking away from the welcome live-aboard features one expects aboard a traditional motor yacht.

Topside, the flying bridge layout provides room for conversation while underway and is ergonomically designed for full-circle visibility. A few steps below, the 150 square-foot covered aft deck offers a patio-style setting and, at your option, can be permanently enclosed and equipped with air conditioning and a wet bar with icemaker.

Taken altogether, the Hatteras 50 SD is a remarkable yacht, both livable and maneuverable, functional and fun, and as close to the water as you want to be.

In choice of design, we believe motor yacht owners share a preference for an active social life. To enhance this interest, the Hatteras 50 Sport Deck provides the perfect atmosphere for all your entertaining or simply sharing good times together with friends.

In addition to the amiable environment on the flying bridge and aft deck, the comfortable interior accommodations of the 50 SD keep the party spirits up long after the sun goes down.

Just a few steps from the aft deck, the interior design statement begins with an expansive mid-ship salon with a large U-shaped sofa, coffee table, easy chair and a complete audio/video center.

Forward of and opening to the salon, the galley and dinette area include dining and cooking among your entertainment activities. The galley is fully equipped with a refrigerator/freezer, two-burner cooktop, sink, and a microwave/convection oven, as well as impressive cupboard and drawer space. Directly across the companionway, the large dinette table and bench seating provide ample dining space for as many as six hungry guests.

AT RIGHT, NOTE THE RICH APPOINTMENTS IN THE SALON OF THE 50 SD. HERE, LAMBREQUINS WITH MINI-BLINDS, A TINTED SAFETY GLASS WINDSHIELD, AND VINYL HEADLINING THROUGHOUT, SERVE TO CREATE A COMFORTABLE ATMOSPHERE.

WOOD-PANELED WALLS AND A STAINLESS STEEL SINK SERVE TO MAKE THE GALLEY A PLEASING WORKSPACE FOR MEAL PREPARATION. EQUIPMENT INCLUDES A COOKTOP, MICROWAVE/CONVECTION OVEN, REFRIGERATOR/FREEZER, PLENTY OF COUNTER SPACE, AS WELL AS A WASHER/DRYER, LOCATED IN THE COMPANIONWAY FORWARD OF THE DINETTE.

An optional three-stateroom layout available on the 50 SD moves the dinette area into the salon with L-shaped seating to create a great room effect on board. Or, if you decide upon the standard layout, note that the dinette area can be easily converted to a double berth when extra guests arrive.

The wealth of live-aboard amenities doesn't end in the deckhouse of the Hatteras 50 Sport Deck. Below decks, this 50-foot motor yacht will surprise you with staterooms that are lavish in both comforts and accommodations.

First and foremost, the aft master stateroom provides a welcome retreat at day's end. Entered from its own stairway in the salon, you will be able to indulge yourself in this private world, appointed with a tapered queen berth on the centerline, a large walk-in closet, an entertainment center and a private head with lighted vanity and stall shower.

THE DINETTE ABOARD THE 50 SD IS A CONGENIAL DINING NOOK THAT CONVERTS TO FULL LENGTH BERTHS WHEN EXTRA GUESTS ARRIVE. THIS AREA ALSO FEATURES EASY ACCESS TO THE ENGINE COMPARTMENT THROUGH THE HINGED STAIRS WHICH LEAD DOWN INTO THE GALLEY.

FOR THOSE WHO ENJOY RELAXING IN A LEISURELY BATH, THE AFT MASTER HEAD PROVIDES A LARGE TUB WITH A SHOWER, ALONG WITH STORAGE CABINETS WITH MIRROR DOORS, A ONE-PIECE MOLDED LAVATORY AND A RECIRCULATING FAN.

THE MASTER STATEROOM, SHOWN ABOVE, IS WELL FURNISHED FOR THE LIVE-ABOARD LIFESTYLE, WITH DELUXE ACCOMMODATIONS THAT INCLUDE A TAPERED QUEEN BERTH, WALK-IN HANGING LOCKER WITH AUTOMATIC LIGHTS, HIS-AND-HER DRESSERS, TWIN NIGHT STANDS AND PRIVATE ACCESS TO THE HEAD.

THE BOW GUEST STATEROOM, SHOWN IN THE INSET, IS NEARLY AS POSH, FEATURING A TAPERED QUEEN BERTH ON THE CENTERLINE, BUILT-IN DRESSER BOTH PORT AND STARBOARD, A HANGING LOCKER WITH AUTOMATIC LIGHTS, SCREENED OVERHEAD HATCH AND ITS OWN PRIVATE ACCESS TO THE FORWARD HEAD.

The guest stateroom forward offers much the same pampered feeling to guests. Here is a stateroom with a "VIP" atmosphere, roomy and well-appointed. The stateroom boasts a tapered queen berth of its own, also placed on the centerline. And the setting is completed by ample shelving and drawers, and hanging locker space. The room even features its own private access to the forward day head.

If you select the optional third-stateroom layout, the extra stateroom provides full-length upper and lower berths with drawer space. And access to the day head is as easy as a step across the companionway.

All and all, this is one motor yacht that gives all the interior comfort you expect aboard a traditional motor yacht while indulging in your love of the water. For a personal introduction to the Hatteras 50 Sport Deck, visit your nearby Hatteras dealer soon.
